Dear Sir,

With reference to above mentioned Subject, we have received the EDS on Dated Date 22.12.2021.  
regarding Forest Diversion Proposal for **“Widening & Stentheing of Dhariyawad Pratapgarh Mandsour Road 58/0 km to 59/0 km and 76/0 km to 98/0 km (SH-81)”**. District Pratapgarh (Rajasthan).

We have incorporated all the comments and uploaded the required document on **MOEFCC** Web portal for your reference and further processing please.

**Point Wise Compliance Report:**

Sno.	EDS raised by Forest Department	Reply by User Agency
1.	No change done in the KML. Last EDS is not complied.	Correction has been done.
2.	For non-forest land, KML for 26.320 ha. Land KML is uploaded. Please clarify it.	In the past, 26. 320 Ha. of KML was uploaded by mistake. Allotment of non-forest land is being done by District Collector Pratapgarh, after allotment, the KML file will be submitted to DCF Pratapgarh for the purpose of Part-2.
3.	As per cross section, road width is 12m at black top. So the base which is required for diversion is more than 12m. So the proposal should be rectified accordingly.	Maybe the old cross section was not clearly visible, now the new clean cross section has been uploaded. 7 Meter Black Top road and 2.5 Meter Solder on both sides.
