**Subject: Editing permission in forest clearance proposal no. FP/RJ/TRANS/144853/2021 due to increase in line length of Sikar-II - Aligarh 765kV D/C Transmission Line under transmission scheme for evacuation of power from solar energy zones in Rajasthan (8.1 GW) under Phase II Part-D.**

Dear Sir,

Power Grid Corporation of India Limited, A Govt. of India "Maharatana" Enterprises under the aegis of Ministry of Power, is engaged in a big way for the development of power sector in the field of power transmission and control throughout the country. Accordingly, POWERGRID Aligarh Sikar Transmission Limited (A 100% wholly owned subsidiary of Power Grid Corporation of India Limited) has been nominated for construction and maintenance of 765kV D/C Sikar-II Aligarh TL.

The construction works of the subject TL are going on in full swing except in forest area. A proposal seeking for clearances from Forest deptt was submitted on 26.07.2021(Online). Due to change in Substation location, line length of the under-construction TL is increased. Now, line is crossing NH-52(Sikar-Jaipur) which involves social forestry along the highway, earlier no forest area was involved in Sikar district. There is no change of forest area in Alwar & Jaipur district.

Therefore, in view of above, you are requested to kindly allow to mark the proposal to user agency so that proposal can be edited to include additional forest involving in Sikar district for the construction of Sikar II-Aligarh Transmission Line.

Thanking you & assuring of our best cooperation at all times.

Yours Sincerely,
