Madam,

In inviting a reference to the subject matter, it has been discussed with all stake holders including local villagers. Local villagers have also met Laxmipur forest range office and submitted their acceptance to Range office for plantation activities. Subsequently Forest Ranger and Forester had visited the site. Local people greeted them and welcomed for plantation activities in the DGPS survey area.

Your early action in this regard will be highly appreciated.

Thanking you.

Yours faithfully,
For Hindalco Industries Limited
