

Land Suitability Certificate

This is to certify that I have visited 70.00 ha. Area of Ambali Village, Reserved Forest Survey No.540, Taluka: Godhra, District: Panchmahal on Date:08/12/2022. Which has been identified for compensatory afforestation as shown in the location map attached with the Compensatory Afforestation Scheme against the proposal for diversion of 22.176 ha. of Reserved forest land and the said area is suitable for compensatory afforestation. It is also certified that the compensatory afforestation scheme suggested is not under encroachment hence we have complete area of 45.00 Ha for afforestation work.

Date : 08/12/2022

Place : Godhra
