4) DFO Query Letter No. K/JMN/Te.8/573/2020-21 – Dtd.17.12.2020

Dear Sir,

Please find enclosed herewith a proposal along with Annexures in four Copies for granting of No Objection Certificate for laying of 125 mm Dia. PE Gas Pipeline in Protected Forest land as mentioned above.

It may kindly be noted that pipeline will be laid in Kutch District - Along NH-341 Asphalt Road (Bhuj-Khavda), from MES Colony to Palara Jail in Kutch Taluka as said herein. Previously the stretch of Along /Across of SH (Mandvi –Mundra) and Along Mundra Port Road were Included with (0.2240Ha) But as per the query the same are deducted and now the area is (0.1200Ha.)

The pipeline will be laid by excavation of a narrow strip of trench of 30 cm width and by horizontal directional drilling (HDD) for pushing the casing pipe wherever required. The same strips of the trench will be reinstated to its original condition and the land area in question will not be required to be handed over to the Gujarat Gas Limited for its exclusive use. The Applicant will not have any right other than that of the user. It is also intimated that no structure will be erected on the pipeline route.

The pipeline route proposed is most economical and it is badly necessary to lay Along NH Roads, from MES Colony to Palara Jail as stated herein above. It is not possible now any other alternative route except to use the proposed route of pipeline. The Executive Engineer, N.H. Division, Gandhidham -Kutch. have been requested to allow to lay pipelines as stated herein above and permission is likely to be received shortly.

It is not possible to get land for laying the pipeline other than the road being used by the Forest Department.

Considering the above you are requested to grant the permission for the above works at the earliest and oblige.
