**Sub: Request for providing land measuring (15+10) 25 Ha. for carrying out Compensatory Afforestation (CA) under FCA at Dhulsiras Village, Dwarka for construction of Delhi MRTS Project Phase-IV (Revised)-Removal of encroachment.**

Dear Sir,

DMRC has shown the land identified for compensatory plantation to the Forest Department on 10.12.2021 and 20.12.2021 in which Forest Department vide letter dated 24.12.2021 & 23.12.2021 respectively pointed out that the land is under active agriculture use, it will be treated as a encroachment and proposal under diversion Forest Conservation Act, 1980 cannot be considered till the land is made available encroachment free.

In view of the above, it is requested to remove the encroachment i.e. agriculture/farming immediately as proposal under FCA for MRTS Project Phase-IV could not be processed for want of this land and project is delayed significantly. The matter is also under supervision by the Hon'ble Supreme Court.

Thanking you,

Yours faithfully
