

APPENDIX
(See Rule 6)
FORM – 'A'

Form for seeking prior approval under section 2 of the proposals by the state

Government and other authorities.

PART-1
(to be filled by the user agency)

1.	Project Details	:	For diversion of 0.9459 Ha of Forest Land in Kondapak RF of Siddipet Forest Division of Medak Circle for formation of approach road from Main road to reach quarry lease site of M/s Abhaya Hanuman Mining Company situated in Sy.No.54 (Govt. land), Mathapally Village Kondapaka Mandal of Siddipet Division in favour of M/s Abhaya Hanuman Mining Company
i)	Short narrative of the proposals and project scheme for which the forest land is required.	:	<p>The Asst. Director of Mines and Geology, Siddipet vide Lr.No.1548/QL/2017, dt.15.06.2018 has accorded work orders and execution of quarry lease deed for quarry lease for building stone and road metal over an extent of 10.00 Ha in Sy No 54 (Govt. Land) of Methapally Village Kondapaka Mandal of Siddipet District for a period of 20 years in favour of our company M/s Abhaya Hanuman Mining Company.</p> <p>The quarry and crushers units in question are falling in Mathapally Revenue Village limits and it is outside the Reserve Forest Area (nearest RF of Kondapak is existing at a distance of 0.6 km).</p> <p>As of now, we were using the existing road which is passing through the village of Mathapalli to reach the quarry and crushers units sites and also for transportation of quarry & crushed material to nearby Mandal Head Quarters. The said road is passing through dense populated village main road and due to which the villagers are objecting for movement of trucks from the villages.</p> <p>Hence, we have explored all other alternatives and it is decided to form an approach road all along the Reserve Forest boundary of Kondapak RF of Siddipet District, only after exhausting all the options, we have proposed this formation of road through Forest area.</p> <p>Hence, this proposal is submitted.</p>

ii)	Map showing the required forest land boundary of adjoining forest on a 1,50,000 scale map	:	Enlarged portion of original Map in SI sheet showing the location of the road proposed for formation is enclosed. DGPS surveyed map duly authenticated by the Geomatics cell of Prl. Chief Conservator of Forests office vide PCCF Lr.No: Rc.No.2346/2022/FCA1, Dt:08.03.2022 is enclosed.
iii)	Cost of the Project	:	Cost of the project includes the amount to be paid to forest department towards compensation for the land we have sought to be utilized such as Net Present Value, Construction of boundary pillars etc.
iv)	Justification for locating the project in forest area	:	Full justification is mentioned against item no 1 (i) above.
v)	Cost – benefit analysis (to be enclosed)	:	Cost Benefit (CB) analysis doesn't arise, as the area proposed for diversion is less than 5.00 ha.
vi)	Employment likely to be generated	:	Daily employment to the labour as required depending on the activities proposed to be taken up in the quarry lease project.
2.	Purpose wise breakup of the total land required	:	For formation of approach road of 0.9459 Ha is required 1891.84 M in length * 05 M in width.
3.	Details of displacement of people due to the project if any.	:	-NIL-
i)	Number of families	:	-NIL-
ii)	Number of Scheduled castes / scheduled tribe families	:	-NIL-
iii)	Rehabilitation plan (to be enclosed)	:	-NIL-
4.	Whether clearance under environment (Protection) act, 1986 required?	:	-NIL-
5.	Undertaking to bear the cost of raising and maintenance of Compensatory Afforestation and / or penal Compensatory Afforestation as well as cost for protection and regeneration of safety zone etc., as per the scheme prepared by the state Government (undertaking to be enclosed)	:	Required undertakings are enclosed along with the proposals.
6.	Details of certificates / documents enclosed as required under the instruction.	:	1. Undertaking to bear the cost of NPV 2. Undertaking to bear the cost of Addl. NPV. 3. Undertaking to bear the cost towards

		<p>Compensatory Afforestation charges.</p> <p>4. Enlarged original Map in SI sheet showing the location of the road proposed for formation passing through Reserve Forest area is enclosed.</p> <p>5. DGPS surveyed map duly authenticated by the Geomatics cell of Prl. Chief Conservator of Forests office is also enclosed.</p> <p>6. Permission accorded by Mines Department / Pollution Control board clearances are enclosed.</p>
