

**SUBJECT: PROPOSED DIVERSION OF FOREST LAND AT VILL. KOTA IN TAHSIL ROBERTSGANJ,
DISTRICT SONBHADRA FOR JP SUPER CEMENT PLANT & IT'S TOWNSHIP (A UNIT OF
JAIPRAKASH ASSOCIATES LTD. SEC. 128, NOIDA**

FP/UP/IND/23246/2016 AREA 115.874 Hac.

CLARIFICATION-NOTE

Dalla Cement Complex was developed by erstwhile UP State Cement Corporation Limited since the year 1972. The complex comprises of Cement manufacturing unit, limestone Mines, residential colony, other infrastructure facilities etc. Upon taking over assets of the said UP State Cement Corporation Ltd. (under Liquidation), in the year 2006, through the auction conducted by Hon'ble Allahabad High Court during the Liquidation Proceedings, Jaiprakash Associates Ltd. obtained Environmental Clearance for the Cement Complex for undertaking Cement Plant expansion from 0.5 to 2.0 MTPA Clinker, 0.5 MTPA Cement, 27 MW CPP to meet its power requirement and 6 Captive Limestone Mines alongwith its colony and infrastructure etc.

Subsequently, Environmental Clearance for manufacture of 2.01 MTPA Clinker and 2.5 MTPA Cement, named as Jaypee Super Cement Plant was granted by MoEF, to establish the same in 40 Ha. land, adjoining to Dalla Cement Factory.

In view of Order dated 21.04.2016 of Hon'ble National Green Tribunal, Forest Clearance for the Plant land and other infrastructure facilities is sought with division of land use as:

- | | |
|--|--------------|
| a) Cement Plant named as Jaypee Super Cement Plant area: | 40.000 Hac. |
| b) Already existing Colony area: | 20.000 Hac. |
| c) Existing Dalla Cement Plant area: | 55.874 Hac. |
| Total: | 115.874 Hac. |

For Jaiprakash Associates Ltd.
