Justification for Employment

In clarifying the query vide point no 2 raised in online Parivesh web portal on 24.12.2021, it is to mention that in Form A, it was stated that tentative 4824 nos of people may be benefitted directly or indirectly apart from local SHGs. Such benefit may come from the creating shops, driving cars, tour guides, making restaurants etc. i.e, through ancillary small scale trades that will be established by the side of the Tourism Complex.

Breakup details of benefit to tentative 4824 no. of people arising out of proposed Tourism Project at Murguma after its completion:

1. Direct as well as indirect employment generation through engagement (adhoc, contractual etc.) of managerial staffs including Receptionist , Attendants , House Keeping Staffs , Canteen Staffs etc. including economic benefit to their family members : 1000 (approx)
2. Employment generation through engagement of Gardening Staffs , Cleaners and Sweeping staffs , Day Watchers and Night Guards etc. including economic benefits to their family members : 500 (approx)
3. Employment generation out of temporary shops and hawkership by local people in and around tourism Complex including economic benefits to their family members: 1500 (approx)
4. Employment generation arising out of flourishing of Tour Operators , Tour Guides , Taxi Operators, Drivers , Local Hotels and Restaurants etc. including providing economic benefits to their family members : 1824 (approx)

This is to inform, once operationalized, this number shall surely be higher in subsequent years benefiting the local area immensely in socio-economic way.
