Sr.	EDS Details	EDS Removed as follows
1	In reply of point No. 4 of EDs, it is mentioned that component wise breakup has now been revised at B. 2.4 part-I online. Pursual the revised component wise breakup shows that 0.14 ha forest land is required for the road and 0.0525 ha is required for muck dumping this making the total requirement of forest land as 0.1925 ha. However, as per land schedule uploaded at sr. No. 6 additional document part I online, the total 0.1925 ha forest land is required for the construction of road may clarify this point and revise the relevant documents if there are changes.	Muck dumping area is included in Civil and which is shown in B2.4 part I online. No Document are change. Civil land 200 mtr = 0.1400 ha Muck dumping 75 mtr - 0.525 ha Total = 275 mtr - 0.1925 ha. So 0.1925 ha is mentioned in Land schedule.
2	In the village wise breakup uploaded at B2.3 part I online the name of village mentioned is Tinsi but the proceedings of village committee meeting under FRA 2006 have been provided for village Bhaunsal. May clarify and revise concerned documents accordingly.	Tinsi is not revenue village it is a Tok of Bhaunsal village
3	In the recommendation of the State Nodal Office uploaded at Part 16 Part II online the area is mentioned as 2.61 ha instead of 0.1925 ha.	Related to DFO.
4	In the hard copy of the proposal folder all the documents provided are photocopy instead of originals, May provide hard copy of the proposal containing all original documents.	Original Hard copy is submitted soon.
