

CHECK LIST

FORM-A

FORM for seeking prior approval under section 2 of the proposal by state Government by other authorities.

PART-1

1. Project Detail

1	Short narrative of the proposal and project/ scheme for which the forest land is requires	<p>Name of the Project: Diversion of forest land for the Establishment of Govt. Polytechnic Dalash. The. Anni Distt. Kullu (HP)</p> <p>A Piece of land to the extent of 1-86-86 hectare is required for the construction Building/Campus and approach Road of Govt. Polytechnic Dalash, The. Anni Distt. Kullu (HP). No other suitable land for the establishment of above mentioned Government Polytechnic is available. Therefore, it has been proposed to divert 1-86-86 Hec. Of forest land for the above project.</p> <p>As a part of national policy the State Government of Himachal Pradesh is giving impetus to the progress of Technical Education. Today the industry needs technically trained youths. Technical Education and Vocational Industrial Training can solve the problem of unemployment in our state or even our country. A technically trained person can be a good entrepreneur and can also provide jobs to other people by starting units of self-employment Government is encouraging such entrepreneurs by providing them with loans on very easy terms and conditions. The opening of Govt. Polytechnic Dalash , The. Anni Distt. Kullu (HP) is also a part of this policy of the State Government.</p> <p>The estimated cost of the project is to the extent of 50 Crore and initially 300 trainees will be trained in following five disciplines:-</p> <ul style="list-style-type: none">(1)Civil Engineering(2)Mechanical Engineering(3)Electrical Engineering(4)Computer Engineering(5)Diploma Pharmacy <p>The ill effect anticipated due to the establishment of the above project has been taken care of with provision of soil conservation work and proper drainage around the site. The debris likely to be generated wills. The debris will be thrown down of cause any loss of forest land for the above project.</p>
II	Map showing the required forest land boundary of adjoining forest on 1.500000 scale Map	Enclosed at page.....
III	Cost of project	RS 350000000.00 (Rupees thirty five Crores) only preliminary cost.
IV	Justification for location the project in forest in forest area.	Other single piece of suitable land as per the requirement of AICTE norms is not available So , only this land is most suitable for the establishment of new Govt. Polytechnic.
V	Cost benefit analysis	Since the proposal is only for 1-86-86 hectare requirement Hence the cost benefit analysis is not required

VI	Employment likely to be Generated.	Proposal institution will directly or indirectly benefits the whole population of State and particularly the Sub Division Anni. Whole State of Himachal Pradesh will be benefited as the admission of this institution will be made on purely Merit Basis/ Merit of entrance test basis. The passed out trainees will get employment in Govt. /Semi Govt. /Public sector and Private Sector undertaking. During construction period about 500 unskilled, semi-skilled and Skilled persons will get employment.
