Sub: - Forest Proposal seeking Diversion of Forest Land in respect of Karma Stone Mine over an area of 14.17 Ha in Village Karma of Hazaribagh District of Jharkhand State of M/s Ram Chander Mehta Captain Ananad Aparna Devi.

Ref - Your Letter No – 6370 dated 28.11.2016

Sir,

This has reference to your aforementioned letter for the subject cited above; we have rectified the Boundary pillars location of BP1, BP13, BP14, BP15, BP16, BP17, BP18, BP19 & R7 of the proposed Mining Lease area on site as well as on forest diversion proposal. Now the southern ML boundary of proposed Mine area is entirely fall within the Village Karma. So far the 7.5m wide statutory limit all along the lease boundary is concern; the same has already given in the proposal in PART I. Safety Zone plan has already been enclosed as Plate No VI in the proposal.

Therefore, please find enclosed herewith the 8 nos of modified Forest Diversion proposal incorporating the changes made as above.

It is herewith requested to kindly recommend the proposal for obtaining Forest Clearance at the earliest.

Thanking You

Yours Faithfully  
For M/s Ram Chander Mehta Captain Ananad Aparna Devi
