

JUSTIFICATION

The requirement of forest land as proposed is unavoidable and the barest minimum and total requirement of forest land is 1.5298 hectare. The collage has been proposed to provide better education facilities in the surrounding area. More over, there is no higher education facility in Sihunta city and the children from the local area have to travel long to get education facility. The proposed collage building has been proposed in forest land as there is no other suitable non-forest land available in the vicinity. Therefore, the construction of new building of Govt.Collage at Sihunta is justified in the interest of local people.
