

TO WHOM SO EVER IT MAY CONCERN

It is for your kind information that the work for construction of Balini Bridge at Km 15.661 on Jammu-Srinagar Road under Job No 208/115 (52 RCC/35 BRTF (P) Beacon) has been started. This bridge has to be constructed on priority because the existing bridge is no in good condition for movement of traffic carrying heavy load.

On behalf of my Office I am certifying that whatever muck will be generated while the above construction work will not be disposed at any forest land.
