

Letter No: Angl/ JSPL/SPL/ 003

Date:06.11.2017

To,

The Divisional Forest Officer,
Deogarh Division, Deogarh

Sub: Completion of Re-posting of pillars at DGPS survey points which were missing in Old Paudi R.F. for diversion of forest land for laying of slurry pipe line from Barbil to Angul by Jindal Steel & Power Ltd.

Sir,

During the site inspection by your goodself on dated 11.10.2017, it was observed that many pillars posted for DGPS survey were found missing from the RoW width along the RD road between village Nagira & Jamaradihi, within the Old Paudi R.F. Our proposed route of slurry pipe line is crossing the old Paudi R.F in 10 patches which need to be demarcated by 490 pillars to show all of the entry & exit points of the patches and all of the bend points within the patches.

For the DGPS survey & pillar posting we had engaged M/s SPARC, Bhubanerswar, who were re-engaged to post the missing pillars under our supervision. The pillars which were missing have been posted again on the proposed site. After completion of the pillar posting (490 nos), we are requesting your goodself to verify the same for recommendation of our proposal for diversion of forest land for laying of slurry pipe line from Barbil to Angul.

Thanking you,

Yours faithfully,

For JINDAL STEEL & POWER LTD.
