Sir,

In this connection It is intimated that the FCA case of 2.4657 hectare of forest land of the above mentioned road has been sent for approval to your good office. The Approval of 0.93 hectare has already been given to the block development office, Rajgarh for the construction of road namely link road to sanohat to padiya nala vide your office letter no 1252/FRA dated 02.06.2018. The approved FRA of 0.93 hectare is given for the C/O link road Sanohat to Padiya which is the part of above said road. Therefore, total area required for diversion comes out to be 3.3957 hectare (0.93+2.4657). So, 0.93 hectare of forest land for FCA case has not been included in the proposed subject cited road.

Therefore, the area already approved (i.e. 0.93 hectare) is excluded from the proposed FCA case.
