

### **Specific Recommendations of District Forest Officer**

The proposal **FP/TR/Other/18888/2016** for diversion of 1.368 ha (3.379 Acre) forest land for construction of Drill site, Waste pit, Drill site Accommodation, TSR Camp and its approach road for location called DEV-2A under DFO, South.

The damage to the forest during widening of the road and transportation of materials should be minimal and also without affecting the adjacent patches of plantation.

1. The user agency should provide income Generation Activities for livelihood of nearby villagers.
2. Parts of the area proposed for diversion are prone to soil erosion so if needed the user agency should bear the expenditure incurred for soil stabilization measures and also to avoid the soil erosion and landslides during construction.
3. The user agency shall bear the expenditure to purchase and equipment, machinery to identify document the Biodiversity and equipments, machinery to Protection unit as the Muhuripur RF has good biodiversity, need effective patrolling by protection unit.
