Letter No-

2602 / WE

Dt- 05.12.2020

To

The Divisional Forest Officer,
Keonjhar Forest Division,
Keonjhar
E-mail-dfokjr.od@gov.in

Sub: - Diversion of 310.110 Ha of forest land for construction of Right Main Canal and Distributary system in Kanpur Canal System in Keonjhar Forest Division under Keonjhar district.

(Proposal No. FP/OR/IRRIG/40827/2019, State Sl. No. OR-050/2019 dated 06.07.2019)

Ref: - Your Memo No. 7014 / 6F-Mining-5/2017, Dated 24.11.2020

Sir,

With reference to the letter on the subject cited above, the point wise compliance to the observations of the Regional Chief Conservator of Forest, Rourkela Circle are furnished herewith as follows-

SI No	Observations	Compliance
1(i)	The village wise abstract of Khesra Forest of Champua Tahasil does not tally with the plot wise area of the villages as the total area of forest land proposed for diversion in respect of the village Talokonanda mentioned in the abstract is 0.719 Ha whereas the plot wise total of the forest land proposed for diversion in respect of that village comes to 0.847 Ha Similarly the extent of forest land proposed for diversion in respect of the village Dolita, Bala, Bardhana, Sirikuan, Uchabali, Jyatipur & Sadangi as per village wise abstract is 1.431 Ha 5.569 Ha 2.761 Ha 3.497 Ha 2.175 Ha 1.279 Ha & 0.097 Ha respectively whereas the plot wise total of the forest land proposed for diversion in respect of those villages comes to 1.447 Ha 5.589 Ha 2.834 Ha 3.548 Ha 2.174 Ha (but mentioned as 1.971 Ha) & 1.278 Ha & 0.097 Ha (but mentioned as 0.1 ha.) Further, the total of the village wise abstract of Khesra Forest of Champua Tahasil comes to 108.886 Ha whereas it has been mentioned as 109.028 Ha. The village wise abstract of forest land must tally with the plot wise total of the forest land proposed for diversion. Thus, it needs to be rectified and correct land schedule should be submitted.	The extent of forest land proposed for diversion of village Talokonanda, Dolita, Bala, Bardhana, Sirikuan, Uchabali, Jyatipur & Sadangi have been rectified with respect to their village wise abstract and plot wise total area. Further, total area of the village wise abstract of khesra forest comes to 109.028 ha after rectification of all discrepancies.
(ii)	Similarly, on verification of land schedule of Khesra Forest of Jhumpura Tahasil, the plot wise area of the forest land in respect of the villages viz. Kashipal, Khendra, Ashoki, Jamunaposi, Tukudiha, Gidhibasa, Chelianag & Badaneuli come to 0.754 Ha 3.085 Ha 0.546 Ha 3.134 Ha 0.174 Ha 7.508 Ha 3.761 Ha 1.157 Ha respectively whereas in the village wise abstract they have been mentioned as 0.771 ha, 3.082 ha, 0.510 ha, 3.130 ha, 0.142 Ha 7.500 Ha 3.743 Ha & 0.533 Ha respectively. Thus, the	The extent of forest land proposed for diversion of village Kashipal, Khendra, Ashoki, Jamunaposi, Tukudia, Gidhibasa, Chelianag & Badaneuli have been rectified with respect to their village wise abstract and plot wise total area. Further, village wise land schedule of Patana

	discrepancies may be rectified and correct land schedule should be furnished. Thus, the village wise land schedule of other Tahasils involve in the project needs to be properly verified and submitted.	tahasil has been rectified after verification.
(iii)	The land schedule of DLC forest land over 1.371 Ha proposed for diversion is not traceable.	DLC forest land has been properly mentioned in a separate column of village wise abstract of different tahasils.
2	The area proposed for diversion in respect of the above project is 310.110 ha whereas the FRA Certificate has been issued by the Collector Keonjhar over 311.117 ha. The discrepancy may be clarified	For construction of Kanpur Canal System the alignment was finalized, where 311.117 ha of forest land was involved. Accordingly, Collector, Keonjhar has issued NOC under FRA 2006 for an area of 311.117 ha. Subsequently, the alignment of Kanpur Canal System has been changed and finally it is found that 310.110 ha of forest land is involved in the project. However, the 310.110 ha of forest land is within 311.117 ha for which NOC has been issued by the Collector, Keonjhar. So, there is no necessity of another NOC under FRA 2006.
3	As per instruction of the PCCF (FD & NO, FC Act), O/o the PCCF, Odisha vide his Memo No. 13318, dated 13.07.2020 & this office Memo No. 1755 (5), dated 13.07.2020, you have not submitted the PDF file of the above diversion proposal.	PDF files of all related records of FDP are submitted.

Therefore, the diversion proposal is re-submitted in 5 sets after compliance of the above shortcomings/ discrepancies for taking further action at this end.

Encl- As above

Yours Faithfully,

Received
