

## PART-II

(To be filled by the concerned Deputy Conservator of Forest)

7	Location of the Project/ Scheme	
	i) State/Union Territory	Himachal Pradesh
	ii) District	Kullu
	iii) Forest Division	GHNP Shamshi
	iv) Area of Forest land proposed for diversion (in ha.)	Area for road construction: - 4.6200 Hac. Area for dumping: - 0.5600 Hac. Total: - 5.1800 Hac.
	v) Legal Status of forest	Class -III (UPF)
	vi) Destiny of vegetation	
	vii) Species wise (scientific names) and diameter class wise enumeration of trees (to be enclosed) in case of irrigation /Hydel projects enumeration at FRL, FRL-2 meter and FRL-r meter also to be enclosed.	As per list attached at page.....
	viii) Brief on vulnerability of the forest are erosion.	No, the area above and adjoining the road alignment is well covered with vegetation and the road is passing through the fully stabilized strata as it is not susceptible to serious erosion at present nor it is part of seriously eroded area. However some disturbance to the strata will be caused in the process of formation cutting of road which will be taken care of by the user agency i.e. HPPWD through appropriate engineering measures like construction of R/wall and B/wall, the cost of such measures will be borne by HPPWD.
	ix) Approximate distance of proposed site for diversion from boundary of forest.	100 mtr. And road passed through private land and forest land.
	x) Whether forms part of national park, wildlife sanctuary, biosphere, reserve, tiger reserve, elephant corridor etc. (it so the detail of the area and comments of the Chief Wildlife warden to be annex	No
	xi) Whether any rare/endangered/ unique species to flora and fauna found in the area? If so detail there of	No rare/endangered species found in the area even visit this area

	xii) Whether any protected archaeological/heritage site/defense establishment or any other important monument is located in the area? If so the detail thereof with NOC from competent authority if required.	No
8	Whether the requirement of forest land as proposed by the user agency in col.2 of Part-I is unavoidable and barest minimum for the project? If no recommended area item wise with detail of alternatives examined	Yes, the requirement of the forest land sought for diversion is barest minimum and could not be avoided.
9	Whether any work in violation of the act has been carried out? If yes, detail of the same including period of work done, action taken on erring officials, whether work in violation is still in progress?	No
10	Detail of compensatory afforestation scheme i) Detail of non-forest area/degraded forest area identified for compensatory afforestation, its distance from adjoining forest, number of patches and size of each patch	As per compensatory afforestation estimate attached.
	ii) Map showing non-forest/degraded forest area identified for compensatory afforestation and adjoining forest boundaries.	Map attached at page.....
	iii) Detailed compensatory afforestation and adjoining forest boundaries.	Detailed scheme attached at page.....
	iv) Total financial outlay for compensatory afforestation scheme.	The financial outlay for raising plantation over .....hac. And its maintenance for seven year under compensatory scheme including out to Rs..... Including the cost of fence post to the tune of Rs .....

	v) Certificate from competent authority regarding suitability of compensatory afforestation and from management point of view (to be signed by the concerned Deputy Conservator of Forest)	Certificate attached at page.....
11	Site inspection report of the DCF (to be enclosed) especially high lighting facts asked in Col. 7 (ixxii) 8 and 9 above.	Enclosed at page.....
12	Division/District Profile	GHNP.Division Shamshi
	i) Geographical area of the district	
	ii) Forest area of the district	
	iii) Total forest area diverted since 1980 on.	
	(a) Forest land including penal compensatory afforestation	
	(b) Non Forest land	Nil
	iv) Progress of compensatory as on dated.....on.	
	(a) Forest Land	
	(b) Non Forest Land	Nil
13	Specific recommendations of the DCF for acceptance of otherwise of the proposal with reasons.	The proposal is recommended for diversion of forest land as the user Agency i.e. HPPWD has given commitment to pay the funds required for CANPV damage and penalties' as will be demanded by the forest department

Date:- 11/4/2018  
Place:- Shamshi

  
Divisional Forest Officer
