

# 132 KV D/C Transmission line Itkhori to Chatra

## Chatra North Forest Division, Chatra.

### SITE INSPECTION REPORT OF DIVISIONAL FOREST OFFICER, CHATRA NORTH FOREST DIVISION

---

The proposed Construction of 132 KV D/C Transmission line Itkhori to Chatra, Chatra North Forest Division was inspected on 20.02.2021. The Manager, JUSNL, Chatra along with subordinate staffs, and RFO, Rajpur were present in the site inspection.

In Chatra North Forest Division, 132KV D/C Transmission Line (Itkhori-Chatra) passes through One village Lachhanpur having Protected Forest (PF). Rest part of this Transmission Line in Chatra South Forest Division. During this inspection it was observed that the forest land required for this project falls in eroded open forest land with scanty vegetation predominantly shurbs and grasses. Natural growth of few these species like Madhuca indica, Prosopis juliflosa, Butea monosperma etc were observed in this patch. East and north east of this patch of land is bounded by Margati nadi whose width is 20-25 is variable.

On inspection of the site, it is found that land required by the User Agency is a Protected Forest (PF) land measuring **1.5380ha. (Forest Land-0.6950ha.+ G.M.J.J- 0.8430ha.)**

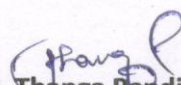

The requirement of forest land as proposed by the user agency in Col-2 of Part-I is unavoidable and is barest minimum required for the project.

There is no any rare/endangered/unique species of flora and fauna found in the area.

There is no any protected archaeological / heritage site / defence establishment or any other important monument is located in the area.

Date : 20 Feb, 2021

Place: Chatra

  
(Dr. R. Thanga Pandian, IFS)
