The proposal, "Construction of 45 m span bridge over Gurai Nalla" required by HQ 56 ROAD CONSTRUCTION COY (BEACON-BRO) involves diversion of forest land to the extent of 0.25 ha as verified jointly by the User Agency and DFO Bandipora Forest Division. The facility is urgently required by the BEACON-BRO for better movement of Defence personnel as well as civilian population of the area, since no alternative feasible non-forest land is available for the purpose. It is an essential requirement for the purpose of construction of a permanent bridge connecting Bandipora with Gurez and Tulail areas.

It is recommended that the proposal may be approved.
