

TO WHOM IT MAY CONCERN

This is to certify that the diversion of 0.71 ha forest land for construction of New Maynaguri - Jogighopa N.F Railway Project is barest minimum and there is no alternative for the proposed construction of transmission line. The Construction of proposed Rail Line is essentially an integral part for economic development as well as better communication of the under developed Kokrajhar District of Assam.

The construction of Railway line would benefit the public and is in the national interest. Therefore, the diversion proposal is recommended for acceptance.
