

Full Title of Project: CHATTARPUR SUB-STATION

Date of Proposal: 26.04.2019

Site Inspection Report

A Proposal has been received by the office from JUSNL, Daltonganj for diversion (Under FCA-1980) of 2.43 ha. of Forest land for Non-Forestry Propose. The Subject envisages the use of Forest Land for construction of CHHATTARPUR/132/33/KV Sub Station. The Site inspection of the Land involved in the Proposal has been done by me on 05.07.2019 with the representative of the user Agency.

On inspection of the site, it is found the Land required by the user agency is a forest measuring 2.43 ha. No tree was found on the proposed site. The Proposed Site is mostly degraded and erosion prone area hence needs treatment for re-habitation.

The requirement of Forest Land as Proposed by the user agency in col. 2 of the part-I is unavoidable. No Unique species of flora and fauna were found in the Proposal area. Neelgai, Jackle etc are generally found in and around the Proposal Site. No Protected Archaeological / heritage site/ defence establishment or any other important monument is Located in the area. So far violation of Forest (Conservation) Act.1980 by the user agency is concerned, there is no such report in the Official record.
