

**LINK ROAD FROM DHURASAPAR TO PURKHARA (PORTION: KUTPLYANA TO
PURKHARA (4/040 TO 11/540 Km) 4.6092 HACT.**

Recommendation

The requirement of forest land as proposed is unavoidable and barest minimum, and total length of the road is 4/040 to 11/540 Kms out of which. This road will be constructed to provide link to the villagers of Kutpalayan, Thanoli, Draman and Purkhara. The road will cater to the needs of population of about 1496 souls and will give a boost to the local economy, hence there is no escape from using the forest land as no other alignment is feasible. Therefore, the construction of **LINK ROAD FROM DHURASAPAR TO PURKHARA (PORTION: KUTPLYANA TO PURKHARA (4/040 TO 11/540 Km) 4.6092 HACT.** is justified in the interest of local people.
