

SITE INSPECTION REPORT

Proposal No.FP/MZ/ROAD/139992/2021

This is with reference to the Project Proposal No. FP/MZ/ROAD/139992/2021 for '**Construction of 2-laning with hard shoulder configuration of NH-302 NH 54A from Lunglei-Tlabung Section of NH-302 in the state of Mizoram under Bharatmala pariyojana on EPC Mode**'. I have inspected the deemed forest area to be diverted under Lunglei Forest Division (3.247 Ha) on 26.4.2022 and there was violation of the Forest (Conservation) Act, 1980 in some part of the area. Stay order was issued .

The proposed diversion of forest land was found unavoidable and bare minimum for the project (minimum forest area will be diverted with minimum felling of trees).
