

## Site Inspection Report

Sr.No.	Items	Observations and remarks						
1	Name of the Project and location (Range, Round, Beat)	a) Construction of Reliance Jio infocomm Ltd. (Yavatmal- Kita-Kapara-Sawar) Optical Line (Diverted forest land 0.16 Ha.) b) Name of range- Yavatmal c) Name of round- Waghapur d) Name of Beat- Kita						
2	Name of the User Agency	Mr. Pranay R. Pathak, of M/s Reliance Jio Infocomm Limited, Nagpur.						
3	Date of site Inspection	<b>3/2/2018</b>						
4	Extent (ha) and legal status of forest land proposed for diversion	0.16 ha. (Reserved Forest)						
5	a) Detail of forest land proposed for diversion and activity-wise break-up of forest land b) Density and Eco-value class	Sr.No	Name of Component	Name of Village	F.S./ Gut No.	Conptt. No.	Length X Width (Mtr.)	Area (Ha.)
		1	Construction of Reliance Jio infocomm Ltd. (Yavatmal- Kita-Kapara-Sawar) Optical Line	Kapra Tq., Dist. Yavatmal	62	467,468 469, 475	4169 x 0.40	0.16
		<b>Total</b>						<b>0.16</b>
		Density-0.4 to 0.6 & Eco value class III (Southern tropical dry deciduous forest)						
6	Whether the requirement of forest land as proposed by the User Agency in Col.2 of Part-I is unavoidable and barest minimum for the project. If no, recommended area item-wise with details of alternative examined.	Forest land required for Construction of Reliance Jio infocomm Ltd. (Yavatmal- Kita-Kapara-Sawar) Optical Line (Diverted forest land 0.16 Ha.) is unavoidable and barest minimum demand of forest area for the project hence no alternative need to be examined.						
7	Whether the proposal involves any construction of building (including residential) or not? If yes, details thereof.	No						
8	a) Whether forest area proposed for diversion is important from wildlife point of view or not. b) Details of any rare or endangered or unique species of flora and fauna found in proposed forest land. If so, the details there of. c) Aerial distance from the nearest boundary of any protected Area (km.) d) Remarks about sensitivity of the forest area likely to be affected due to project. e) Whether Wildlife mitigation plan is required? If yes, reasons there for;	a) No  b) No  c) Wild life sanctuary is 65 Km.  d) No forest will be affected  e) Not necessary

10	Background note on the proposal (short summary)	As per of Govt of India's policies priority has been given to tribal and under developed areas. OFC has been proposed for laying in Yavatmal-Kita-Kapra-Sawar-Chondi fata-Babulgaon-Mehamudpur fata-Devgaon-Pulgaon on ODR 17 From Km 0/00 to15/00 forest area Yavatmal Forest Division. Enroute village can also be connected by this project. This route has been approved by the RJIL H/Q to complete in the years 2017-18.																																																																								
11	Whether the proposal involves any violation of Forest (Conservation) Act 1980? If yes, a detailed report on violation including action taken against the concerned officials to be attached	No																																																																								
12	Whether the proposal involves rehabilitation of displaced person. If yes, Whether rehabilitation plan has been approved by the State Government?	No																																																																								
13	Details on catchment and culturable command area under the project (if applicable) Status of catchment area treatment plan to prevent siltation of reservoir (if applicable)	Not applicable																																																																								
14	Utility of the project	Aim of this project is to provide the people of under developed areas with reliable and high speed media connectivity.																																																																								
15	Whether land being diverted has any socio-cultural/religious values? Whether any sacred grove or very old growth trees/forests exist in the areas proposed for diversion?	No Archiological impotrant monuments and empals are likely to be affect by this project.																																																																								
16	Any other important information related to the project (Separate note may be attached, if required)	Nil																																																																								

Sr.No.	Items	Observations and remarks
17	Details of document and photographs enclosed:	Photographs of diverted land, Necessary copy of 7/12, GPS Files, Route Map (Survey of India map), Part-I,Part-II and sanction copy of project is enclosed.
18	Recommendations of the Inspection Officer (CCF/CF/DCF)	As tree felling is involved compensatory afforestation is required for carrying out compensatory afforestation on 1 ha. area <del>at</del> the cost of user agency. Proposal is recommended for acceptance.

Place :- Yavatmal

Date :-

Name of Inspecting Officer :- B.N.Pingale

Designation :- Conservator of Forest (T), Yavatmal
