**Site Inspection Report of Proposed Along-Yingkiong 132KV Transmission Line**

The undersigned had carried out the site inspection of the proposed construction of 132 KV Transmission line of Along-Yingkiong by Power Grid in the area falling under Along Forest Division on 13/09/2022. The specific observations regarding diversion of 69.96 ha of forest land for implementation of the project as per Part-II clause-II of the proposal are as under:-

1. About 69.96 ha of forest area will be required for execution of the project. These areas are USF area.
2. The requirement of forest land as proposed by Power grid has been found to be unavoidable and the barest minimum.
3. Protected archaeological/heritage sites/defence establishment are not noted at the proposed project area.
4. The user agency has applied for diversion of forest land as per procedure. Violation of the provision of Forest Conservation Act, 1980 has not been noted during the time of inspection.
5. No illegal timber operation, hunting/poaching of wildlife was noted during the time of field inspection.
