

**RECOMMENDATION OF THE ADDITIONAL PRINCIPAL CHIEF
CONSERVATOR OF FORESTS, COIMBATOR CIRCLE,
COIMBATORE.**

The project site is situated within the Tamil Nadu Forest Academy Campus and the land was notified under section 26 of the Tamil Nadu Forest Act, 1882. The Forest land required for the project is 0.050735 hectare for laying 500mm diameter pipeline using ductile iron pipe to a length of 563.72 metres and the required width is 0.90 metres. The water supply project would benefit about 59,000 people in the near future. There is no other suitable alternative non forest land available for this project. The Forest land required for this project is the bare minimum and the project is not likely to adversely impact on Forest and Wildlife. The remarks of the District Forest Officer, Coimbatore Division are agreed to and the project is recommended.

Date:
Coimbatore.
