

Recommendation

The proposal for diversion of forest land 7.5425 ha. (P.F-7.2410+J.J-0.3015) for lying of gas pipe line by Gail India Ltd. Doranda, Ranchi has been inspected by me on dated 08.02.2019. As per the site inspections report, the forest land required by the user agency is unavoidable and barest minimum for the project. FRA and NOC J.J. has been issued by competent authority. This proposed gas pipe line will enhance the gas supply position of Jharkhand State and will enhance the efficiency of various Industries in Jharkhand. In the larger interest of the Nation in the state, the proposal for diversion forest land 7.5425 ha may be accepted and recommended for diversion.
