

RECOMMENDATION

The Riar to Baggan PMGSY Road, which has been proposed to be taken up for construction by PMGSY Division, Billawar, is likely to provide connectivity in the remote villages of Kathua District, which in turn shall certainly play a key role in enhancing service delivery in these rural areas as well as in uplifting the rural economy.

Since there is no substantial loss of biodiversity as well as wildlife due to the construction of this road, therefore, it is recommended that in view of the larger public interest involved herein, the said road may be granted requisite approval under the provisions of the Forest (Conservation) Act, 1980.
