ANNEXURE-E

SITE INSPECTION REPORT

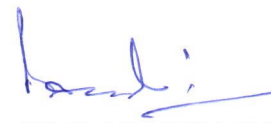

1	Legal status of forest land proposed for diversion	Traditional/USF forest areas at Dengzi and Lungdur under Shergaon Forest Division
2	Item wise break up details of the forest land proposed for diversion.	The proposed area is 6.005 hactres
i	Forest area to be acquired for various components of the project.	6.005 hactres
ii	Non-forest area to be acquired for various components of the project.	0.700 hactres
iii	Total area to be acquired	6.705 hactres
3	Item wise proposal involved any construction of building (including residential) or not. If yes details thereof.	No
4	Total cost of the project at present rate	Rs 12874 lakhs
5	Wildlife	
	Whether forest area proposed for diversion is important from wildlife point of view or not	No
6	Vegetation	
a	Total numbers of trees to be felled.	25 trees
b	Effect of removal of trees on the general Ecosystem of the area	There will be no significant impact on the local eco system if the trees are felled.
c	Important Species	'A', 'B', 'C' & 'D' class species
d	Nos. of trees to be felled of girth above 90 cm.	25 trees
e	Nos. of trees to be felled of girth below 90 cm.	91 poles
7	Background note of the proposal	The construction of 10 MW Small Hydro Power project is proposed at Dengzi to boost the power generation of West Kameng district in Arunachal Pradesh and enumeration of trees have been carried out.
8	Compensatory Afforestation Whether land for compensatory Afforestation is suitable for plantation and from management point of view or not.	Yes, the land for CA is suitable for plantation and from management point of view.
9	Whether land for Compensatory Afforestation free from encroachment/other incumbencies	Yes
10	Whether land for Compensatory Afforestation is important for religion/archaeological point of view.	No
11	Land identified for raising Compensatory Afforestation is in how many patches? Whether the patches are compact or not?	The CA area is a single & compact patch.
12	Map with details	CA Map enclosed
13	Total financial outlay	

a	Net present value (NPV) @ Rs 9.39 lakhs/hect. (for Eco class-V).	Rs 56,38,695.00
b.	Cost of Compensatory Afforestation as per existing guidelines.	Rs 57,47,800.00
c.	Cost of tree felling, cross section, dragging, transporting, depot marking & maintenance etc.	Rs 52,500.00
14	Whether proposed area involves violation of Forest (Conservation) Act, 1980 or notification, if yes, a detailed report on violation including action taken against the concerned officer.	No, there is no case of violation of FCA, 1980.
15	Whether proposal involves rehabilitation of displaced persons? If yes, whether rehabilitation plan has been prepared by the State Govt. or not.	No
16	Details be furnished specifically if rehabilitation plan would affect any other forest area by transecting outeets in ground of the said forest.	Does not arise
17	Reclamation plan Details of financial allocation.	Does not arise
18	Details on catchment and command area under the project calculation area, treatment plan to prevent siltation of Reserve.	Does not arise
19	Cost Benefit Analysis.	The construction of 10 MW Small Hydro Power project at Dengzi shall greatly improve the overall power generation scenario in West Kameng district of Arunachal Pradesh. In view of the importance of the project, it cannot be summarized in financial terms. The multifarious benefits resultant from the 10 MW HP project shall be higher than the financial benefits.
20	Recommendation of Principal Chief Conservator of Forests of State Govt.	
21	Recommendation of Regional Chief Conservator of Forests along with detail reason.	
22	Recommendation of Regional Chief Conservator of Forests shall give detailed comments on whether there are any alternatives routes/alignment for locating the project on the non-forest land.	
23	Utility of the project.	
a	Number of Schedule Caste/Schedule Tribes to be identified by the project	The entire population are Scheduled Tribe.
b	Whether land being diverted has any socio-cultural/religious value.	No

c	Whether any sacred grove of very old trees/forest exist in the area proposed for diversion.	No
d	Whether the land under diversion form part of any unique eco-system.	No
24	Situation with reference to any PA.	The area is within the USF area and the USF areas are not demarcated. There are no RF/ National park/ Wildlife sanctuary under Shergaon Forest Division.
25	Any other information relating to the project.	The required informations as per the provisions of submission of the proposal have been given in the appropriate columns of the format.
