I have inspected this Site on 28.01.2021, during course of inspection it was observed that **there is no Plant available in buffer & inlate - outlate area of proposed side.**

It was also observed that no protected archeological/heritage site fences established or any other important monument is located along the proposed road.

Location of next petrol pump towards Lalganj (South) is about 02 KM and 07 KM towards Vaishali (North).

Thus the land proposed by the user agency (0.024 Hector) is unavoidable & barest minimum for the project. Hence clearance under forest conservation Act may be granted to the user agency.
