Ref: Online Proposal No. FP/KA/ROAD/41432/2019- reg.

SITE INSPECTION REPORT

Certified that I have inspected the proposed Forest land to be diverted in Sy. No. 140 of Noubad Village Bidar Taluka for Construction of 4-Lane ROB and its approaches in lieu of Existing Level Crossing No. 48/E at KM66.900 on NH-50 (Railway Chinage 96/6-7) near Noubad (Job No. NH-50 KNT(14)/17 – S& R (B)-013) in favour of the Executive Engineer, Public Works Ports & Inland Water Transport Department (NH Division), Kalaburagi. On 25.10.2019. The total forest area required for the project is 0.3221 ha and having about 45 trees which are required to be felled for the execution of the project and are marked with red paint in the field. The proposed forest land to be diverted is situated in Extension Honnikeri block notified under section-4 of Karnataka forest Act 1963 vide Notification No. AFD 21 FAF 63, Bangalore, Dated: 3rd July 1963

There is no endangered fauna in the said area, no protected, Archeological Heritage / Site / Defense Establishment or any other important monuments area located in the area.

The requirement of Forest Land as proposed by User Agency (0.3221 ha) is the bare minimum for the project and there is no suitable non forest land available for executing the said project,

There is no violation of Forest Conservation Act 1980, in the proposed area.

Deputy Conservator of Forests,
Territorial Division, Bidar
