Proposal No. FP/JK/OFC/144842/2021

JUSTIFICATION/RECOMMENDATION

The diversion of the forest land is required by the user agency for laying of Optical Fiber Cable from Kainthgali to Lalli (**0.967 Hectare**). The Optical Fiber Cable will provide High Speed services to the population of adjoining Villages. It will help the Government to deliver electronic services to the people in sectors of Health, Education etc and will help the farmers and general public in accessing various schemes being provided by the government.

Therefore, diversion of land is justified and hence recommended in large public interest.
