

**INSPECTION NOTE ON PROPOSAL FOR DIVERSION OF 6.716 ha. OF FOREST LAND
CONSTRUCTION OF LOOP OUT SECTION OF 132 KV MLHEP-KHLIEHRIAT LINE AT MYNKRE
BY THE MEGHALAYA POWER TRANSMISSION CORPORATION LIMITED**

The inspection was carried out in the field on **Saturday the 7th September, 2019**, along with the Range Forest Officer I/c Umkiang (T) Range and representatives from the Meghalaya Power Transmission Corporation Limited.

The area proposed for diversion is a deemed private forest land at Umsatai, Mynkre.

The proposed transmission line is an integral part of the main project (NERPSIP) which aims at improvement of transmission/distribution network for better power availability. The proposed forest land is unavoidable and barest minimum required for the project.

During inspection, no violation has taken place. The project is meant for better and uninterrupted power availability to the people, therefore it is **recommended for acceptance**.
