

**RECOMMENDATION**

The proposed site for construction of "Layingthou Sanamahi Kiyong Temple" is the worshipping place for peoples of Manipur since time immemorial and the area is considered as holy and sacred abode of the God "Lainingthou Sanamahi" and goddesses. An area of about 2.816 Hectare land shall be maintained under forest and tree cover which will help to maintain green cover, promote cultural tourism, providing awareness to peoples on forest and environment. Therefore, the project is recommended for consideration.
