

SITE INSPECTION REPORT

Division Name	Circle	Site Inspected By	Whether Site Inspected	No. Of times Site Visit	Site Inspection report	Date of Visit
Palakkad	Eastern	DFO	Yes	Twice	Inspected the site along with Range Forest Officer, Walayar and other forest staff of Pudukkottai South section. The proposed area is 18.1420 Ha in VFC Item No.34 Nellissery Malavaram 4 Bits such as 7.3752 Ha in Bit I, 8.8901 Ha in Bit II, 1.7360 Ha in Bit III, 0.1407 Ha in Bit IV. The proposed area will need cutting of around 2273 trees (142Teak, Rose wood 35 and miscellaneous trees 2096 Nos). (Total area as per the proposal to be diverted will be 18.1420 Ha.) This land is very essential for making the land acquired from private persons into a compact block 30-40 % of land is rocky and rest is having tree growth. This area has occasional elephant movement. However this land diversion can be allowed as it is very essential for project completion. Total area as per the proposal to be diverted will be 18.1420 Ha.	21.07.2018 27.07.2018
