

RECOMMENDATION REPORT

Division	Circle	Recommendation By	Recommendation	Reason	Letter	Whether CF agreed
Palakkad	Eastern	DFO	May be diverted	The Land proposed is only a small portion of total land acquired for the completion of prestigious IIT Palakkad. This land is essential for the completion of project without any hiccups. 30-40% the land is rocky and other portion of the land supports to tree growth towards forest side. It is recommended for reason that only this land can make the acquisition of land from private persons meaningful by making land into a single compact block.
