

**SPECIFIC RECOMMENDATION BY**  
**THE DISTRICT FOREST OFFICER**

From the perusal of the proposal, it could be seen that the proposed formation of road from Vadugam to Kilur, Melur will enable the tribal villagers to get their basic amenities like anganwadi centre and hospital in future. Therefore taking above into consideration, I recommend for the diversion of 5.96 ha of forest land for the purpose.

  
District Forest Officer,  
Namakkal Forest Division,  
Namakkal.
