

### PART – III

#### (To be filled by the concerned Conservator of Forests)

14. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (Yes/No). If yes, the date of inspection & observation made in form of inspection note to be enclosed.

Yes, inspection was done on 11.02.2022. Copy of site inspection report is attached herewith.

15. Whether concerned Conservator of Forests agree with the information given in Part-B and the recommendations of Deputy Conservator of Forests.

Yes,

16. Specific recommendation of concerned Conservator of Forests for acceptance or otherwise of the proposal with detailed reasons.

The proposal is meant for construction and development of transmission system and also to mitigate the actual shortage of power due to non availability/inadequate capacity of transmission system in the area. A large number of people will be benefited by this project.

This proposal is being recommended for the diversion of 56.988 ha. Forest Land for construction of 132 KV transmission line from Saria to Bishnugarh under the Forest (Conservation) Act, 1980.
