

RECOMMENDATION OF CONSERVATOR OF FORESTS

{Diversion of 31.489 ha of forest land for widening and improvement of Akhegwo-Jessami Road Section of NH-202 (Package-II) into two laning of existing Km 326.018 (Akash Bridge) to Km 340.843 (Jessami) under Ukhrul Forest Division by NHIDCL}

NH-202 is one of the important Road connecting Manipur and Nagaland States. Widening and improvement of the Road Section will enhance road connectivity and increase socio-economy the villages locating along the road. The proposal for diversion of 31.849 Hectare Forest land is the barest minimum and there is no alternate site/alignment and recommended subject to the following condition:

***“As the proposed site is hilly terrain prone to soil erosion/land slide, adequate protection measures such as protection/retaining wall, site specific soil and moisture conservation measures at vulnerable points shall be required to avoid landslides”.***
