

Full Title of the Project:- Diversion of 3.9133 Hectare Forest Land for "Construction and Renovation works at Machia fort and Construction of approach Road from Kaylana Main Road to Machia Fort at Jodhpur (Rajasthan)" Forest Diversion Proposal Under Forest (Conservation) Act, 1980.

Proposal No – FP/RJ/others/146292/2021

Date of Proposal:- 06.05.2022

Area of Forest Land: 3.9133 Hectare

RECOMMENDATION

(the Forest land to be diverted under FCA)

A proposal has been received by this office from **Jodhpur Development Authority, District Jodhpur for diversion (under FCA-1980) of 3.9133 hectare** of forest land in Jodhpur Wildlife Division for non-forestry purpose i.e "Construction and Renovation works at Machia fort and Construction of approach Road from Kaylana Main Road to Machia Fort at Jodhpur (Rajasthan)". The subject envisages the use of forest land for Construction and Renovation work at Machia Fort and for approach Road Purpose.

The site inspection of the land involved in the proposal has been done by me on dated 12.07.2022

On inspection of the site, it is found that the land required by the user agency is a forest measuring **3.9133 hectare**. It is lying on protected forest block Machia.

The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.

Whether any rare/ endangered/ unique species of flora and fauna found in the area.If so, the details there of – Nil.

Whether any protected archaeological/ heritage site/ defence establishment or any other important monument is located in the area. If so, the details there of with NOC from competent authority, if required –**Machia Fort is Important Monument located inside Machia Forest Block and under taking by user agency is enclosed for acquiring NOC from Competent Authority if required.**

(a) The user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has in forest area been started without proper sanction.

Viewing at the importance and utility of project for Tourism, this proposal is **RECOMMENDED FOR ACCEPTANCE** with recommendation that the user agency must construct pucca wall/chain link fencing on both side of proposed road, with adequate height as per site requirement and conditions for protection of existing flora and fauna as well as security of tourists.
