

SITE INSPECTION REPORT

A proposal has been received by this office from **Shri. MR Ingle, Executive Engineer (Distri.), DNHPDCL, DNH, Silvassa** (User Agency) for diversion (under FCA-1980) of **0.91** Ha. of forest land for non-forestry purpose. The subject envisages the use of forest land for **erection of 100 KV transformer centre with 11 KV HT Line Sindoni - Loharmal in the Union Territory of Dadra and Nagar Haveli**. The site inspection of the land involved in the proposal has been done by me on dated 03/04/2018 along with the representatives of the User Agency and the Range Forest Officer, Southern Range, Dadra and Nagar Haveli.

On inspection of the site, it is found that the land required by the user agency is a forest measuring 0.91 Ha. The requirement of forest land as proposed by the user agency in Col. 2 of part-I is unavoidable and is barest minimum required for the project.

The status of the land is Reserved Forest of Southern Range in Dadra and Nagar Haveli. This proposal improves the electric connectivity to the village and the villagers can avail the basic facilities. During the inspection, there was no endangered/endemic flora and fauna found in the forest proposed for diversion. A total of 19 trees are found in the proposed diversion area.

Also, the user agency has not violated the provisions of Forest (Conservation) Act, 1980 and no work has been started without proper sanction.

Hence, this proposal for diversion of 0.91 Ha Reserved Forest land for erection of 100 KV transformer centre with 11 KV HT Line Sindoni - Loharmal in the Union Territory of Dadra and Nagar Haveli **is hereby recommended.**

Place : Silvassa.

Date : 03/04/2018.
