

PART-III

(To be filled the concerned Chief Conservator of Forest)

Whether site, where the forest land is involved is located has been inspected by concerned Chief Conservator of Forest (Yes/No) If Yes the date of inspection and observation made inform of inspection note to be enclosed.

The forest land proposed for diversion is located in Khata no.2 Plot no. 16 and 18 of Paharpur mauza of Gawan Block in Gawan Range of Giridih East Forest Division. Site inspection was done by the undersigned on 06.04.2019. The proposed site constitutes 4.856 ha. of forest land, which is notified protected forest(PF) under Indian forest Act, 1927. This proposal received from DFO, Giridih East Forest Division pertains to lease of forest land for mining of stones. The forest land being undertaken is barest minimum for the project.

No rare endangered species of flora and fauna is noticed in this area. No, protected area/ archeological heritage site/ defense establishment or other important monuments are located in the concerned area.

Whether the Concerned Chief Conservator of Forest agrees with the information given in part-B and recommendations of Deputy Conservator of forest.

The user agency has submitted a justification report for selection of the proposed site and examination of alternative lands outside the forest area.

I agree with the observation of Deputy Conservator of Forest, Giridih East Forest Division that area is prone to illegal mining and with the sanction of this project illegal mining will be checked and regular employment will be generated for local people. It will be in the interest of State and local people.

Hence this proposal is recommended to be sanctioned
