

Site Inspection Report

I along with Assistant Conservator of Forest Somwarpet, Range Forest office Somwarpet and staff visited Kodagu Hydel Project on 28-01-2016 & came to know that said area about 0.8093 ha across the Kumaralli river observed that the constructions of check dam, underground tunnel and other establishment on the left bank of the river. The project almost finished and leveling of area and other structures are already there. No major trees are there as area covered with grassy patch. There is no major wildlife is seen. So the area may be diverted in the favour of user agency.

Deputy Conservator of Forests,
Madikeri Division, Madikeri
