The Chief Conservator of Forests,
Nodal Officer (FCA)

No: - 1904/CFC

Dated: - 15-07-2022

Subject: Construction of Link road from Shangroo to Nagni Gujjar Basti in Bhaderwah Forest Division.

Proposal No: FP/JK/ROAD/148576/2021.

SITE INSPECTION REPORT

1. A proposal of **Executive Engineer PWD (RB) B.C. Road Division Bhaderwah** is recommended by DFO Bhaderwah in Parivesh Portal for diversion of Forest land under Forest conservation Act 1980 for non forestry purpose. The project envisaged diversion of **0.43 hac** of forest land at Bhaderwah Forest Division in District Doda in favour of **Executive Engineer PWD (RB) B.C. Road Division Bhaderwah** for construction of Link road from Shangroo to Nagni Gujjar Basti in the UT of J&K in Bhaderwah Forest Division. The site inspection of the spot involved in the proposal has been done by the Divisional Forest Officer Bhaderwah on **14-03-2022**.
2. No protected / heritage site / defence establishment etc is located in the area.
3. Whether any rare/endangered/unique species of flora and fauna found in the area. If so, the detail thereof. Notice Leopard, Black Bear, Jackal and monkey.
4. No violation of the Act has been carried out by the user agency as the work for this proposal is yet to be started which shall be allowed only after clearance of the proposal by competent authority.
5. Whether site, where the forest land involved is located has been inspected by concerned Conservator of Forests (No).
6. Whether the concerned Conservator of Forests agree with the information given in Part-B and the recommendations of Divisional Forest Officer (Yes).

SPECIFIC RECOMMENDATION:-

The proposal may be accepted as per guideline of Govt. of India as the Forest land proposal for diversion of **0.43 hac** of Forest land is essentially required for construction of Link road from Shangroo to Nagni Gujjar Basti in the UT of J&K of Bhaderwah Forest Division. As the proposal recommended for forest clearance under section-2 of Forest Conservation act, with the condition that retaining wall be constructed along the length of road with at least 450 meter retaining wall length per kilometer of the proposed road length and culverts at appropriate points. The road is however passing through one already established closure under CAMPA. So, it will cause damage to it. Therefore it may be considered on merit basis. Submitted by Divisional Forest Officer Bhaderwah is recommended to be accepted.

Yours faithfully

(Dr. Jitendra Kumar Singh, IFS)
