

**Site Inspection Report of Conservator of Forests/Western Circle**

Site inspection has been carried out by the undersigned along with the Divisional Forest Officer/Tamenglong Forest Division and Divisional Forest Officer/Noney Forest Division on 29<sup>th</sup> May, 2019.

The proposed diversion of Forest Land measuring an area of 56.833 ha for "Construction of 132 KV single circuit transmission line on double circuit towers from Rengpang to Tamenglong under North Eastern Region Power System Improvement Project (NERPSIP) by MSPDCL" is unclassed forestland which falls under Noney Forest Division and Tamenglong Forest Division of Western Forest Circle. The proposed area of diversion is not vulnerable to soil erosion. The density of vegetation is about 30-40%.

The proposed diversion is not a part of National Park, Wildlife Sanctuary, Biosphere Reserve or Tiger Reserve, etc. There is no protected archaeological/heritage site, defence or any other important monument in the area. Some rare/endangered/unique species of flora and fauna found in the region are jungle cat, leopard cat, flying squirrel, monitor lizard, barking deer, etc.

So far there is no violation of Forest Conservation Act, 1980 from the User Agency.

Considering the importance of the project in developing a reliable and uninterrupted power supply in the region for overall development of the district, the project is hereby recommended for consideration.
