

PART - IV

(To be filled in by the Nodal Officer or Principal Chief Conservator of Forests or Head of Forest Department.)

17. Detailed opinion and specific recommendation of the State Forest Department for acceptance or otherwise of the proposal with remarks. (While giving opinion the adverse comments made by the concerned Conservator of Forests or Deputy Conservator of Forests should be categorically be reviewed and critically commented upon).

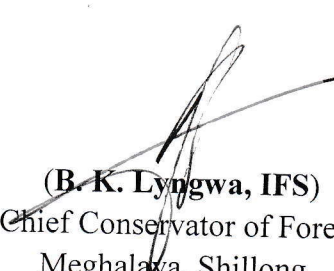

The proposal pertains to diversion of 0.0269 Ha. of forest land for providing additional water supply from Wahrisa Spring Source to Lower Lumparing areas (funded under Amrut).

Perused the views of the Conservator of Forests (Territorial), Khasi & Jaintia Hills in Part-III wherein it is observed that there are no trees to be felled. As the project will be of great importance for the general public residing in Lower Lumparing and other areas falling under Shillong Municipality, I therefore, concur to the views of Divisional Forest Officer (T) and Conservator of Forests (T) for diversion of the forest land for the aforementioned purpose.

Hence, the proposal is recommended.
