<p>13. Specific recommendations of the DCF for acceptance or otherwise of the proposal with reasons.</p>	<p>This Project involves laying down of cable for Reliance jio company along National highway-2. and the cable will be bid along the frige of The road.This road passes through Gautam Buddha wildlife sanctuary.But it does not have any more effect on the near by forest area.</p> <p>The proposed area involves diversion of 0.00308 ha in Gaya Forest Division, Gaya. This is the barest minimum of forest land required for the instant project and has no other alternative to by-pass. Diversion of these forest land areas for this project (non forestry activity) may not much affect the local flora of the area. The User Agency has not violated the prescribed provisions of the Act.</p> <p>The amount realized from the user agency in the form of NPV shall be utilized for conservation, protection, and management of forest in this division. The green belt will be created through the amount realized from the user agency as Compensatory afforestation work and it will help in the increasing green cover.</p> <p>In the light of the above mentioned facts I recommend positively for the approval of this instant proposal. Therefore this instant proposal for diversion of forest land may be approved with necessary conditions and directions.</p>
