

13. Specific recommendations of the Dy. CF for acceptance or otherwise of the proposal with reasons.

May be diverted as the area proposed for diversion is minimum and also very much essential and required for the Upper Lanth Irrigation Project whose aycut (area irrigate more than 4700 Ha). The total command area is 4700 Ha. It will not only facilitated crop production but also increase the production of food grain. It will also improve the economic status of the neighboring villagers as well as the District. It may also restrict the migration of labour. Hence, it is recommended for approval.
